Order to File Briefing Regarding Mootness		

Based upon the recent changes in the state-wide public health orders as set forth in Public Health Order 20-38 and locally in San Juan Basin Public Health Second Amended Order SJB 21-01, the Court concerned that the injunction issued in this matter is obsolete and this case is now moot.

If the parties are in agreement regarding the status of the case/injunction they are to file a joint statement by April 26, 2021 informing the Court of their position. If the parties do not agree regarding the status of the case/injunction they are to file a brief outlining their position by April 30, 2021.

So Ordered.
